

How may I serve you and your guests?

Hello,

My name is Joseph Holmes. I am a survivor of adolescent sexual abuse. I have a message I believe will benefit your listening audience, as it has done for so many others. It's a very simple, yet powerful message.

Angels walk beside us. They hover all about us. Embracing this, fear and doubt begin to disappear and we begin fulfilling our Life's Purpose. We begin living our Dream Life. We become happier, more fulfilled human beings adding to the collective consciousness needed to bring peace within our lives and throughout the world.

I am an Amazon International Best-Selling author of the Love Notes For Your Soul/Loving Yourself Wealthy book series, which is a compilation with commentary of Success Principles from the historical Mary Magdalene as conveyed through me. These Love Notes and my books and story are having a tremendous impact on the lives of my people and I believe they in turn will have a lasting benefit for your listening audience.

Below please find my Amazon Author Page link, which includes my bio and list of my current books. The most popular volume has been Vol. 3 *The Power of Angels*, which is the volume most requested for interviews. I also always offer a free gift for you and your listeners as a token of my appreciation. It's part of my soon to be completed *The Hidden Art of Alchemy* program inspired by Paulo Coelho's *The Alchemist*. It's a How To PDF describing a simple but powerful technique that can be used to change one's feelings almost instantly, thus helping to keep one's vibration on par for success.

Please let me know how I may best serve you and your listening audience. It would be my pleasure and sincere honor.

Sincerely,

Joseph
